

Elisa LeDoux, RN, BSN, MBA, CTBS

Senior National Account Manager

Elisa is a Senior National Accounts Manager with MTF Biologics. She is currently responsible for the coordination and support of the Vizient National Contracts and for several other key aggregations.

Elisa has been working for MTF Biologics for over 12 years. Her previous roles at MTF Biologics have included Regional Sales Manager for both Orthopedic and Plastic Reconstructive Surgery field teams.

Elisa has worked as a nurse both in the United States Army Nurse Corps and as a nurse manager in the Texas Medical Center in Houston, Texas. Her clinical focus has been in Burns & Trauma.

Elisa understands and has embraced the benefits of the aptitude platform with her combined experience in both the clinical and supplier side of the healthcare industry.
