

# Nadine Becker

## Senior Manager, Strategic Accounts

Nadine is DeRoyal's Senior Manager of Strategic Accounts for Captis, a collaborative healthcare organization. Over the past 20 years, she has held numerous roles at DeRoyal while representing a diverse product portfolio including Surgical Devices, Orthopedic Softgoods and Bracing, Wound Care, Unitized Delivery Systems and RFID/GPS Technology Solutions.

Nadine currently participates in DeRoyal's Senior Sales Leadership council which provides product development feedback and industry insight to Executive Leadership and Corporate Support Teams.

Prior to joining DeRoyal, she was a Region Sales Manager and National Sales Trainer for Qualex, a subsidiary of Kodak Films.

Nadine has a Bachelor of Science in Business with an emphasis in Training and Development from the University of Wisconsin.
